Of the shed materials so supplied, materials worth Rs. 72-2-4 were sold to the people at cost price and the rest were given free of cost to the poor in the town. His No. Pg. 99 dated the 5th February 1912.

In returning herewith the bills received with the above, has the honor to request that particulars relating to the shed materials in question may kindly be furnished in the marginally noted form in order to

to enable this office to address Government for sanction to the adjustment of the bill.

2. It is observed that the total of the last column of the statement showing the details of materials supplied gratis comes to 1905 and not to 1907. The difference may kindly be reconciled.

Docket No. Pg. 147 dated the 23/25th May 1912 from the Deputy Commissioner, Tumkur District to the Sanitary Commissioner.

Referring to his docket No. 4943 dated the 16th May 1912 pointing out certain discrepancies in the statement of shed materials supplied to Tumkur and Chicknaikanhalli, has the honor to state that the statement already forwarded is correct. The reasons for the differences observed seem to be that the quantity of materials sold in the Tumkur Municipality has been omitted in the calculation and that the Caswina branches supplied to that Municipality which were considered as bamboos are taken as poles, as per calculations indicated in the margin. The cause for the difference has been fully explained in the Remarks column of the statement sent along with this office docket No. Pg. 132 dated the 12th April 1912.

The enclosures received with the above are returned herewith.
